

## Shortsighted Killers

### Shoot Five Gators At Gatorland

Chief Davis of South Bay's outstretched hands give some idea of the length (10 feet) of the large alligator whose mouth J. C. Bowen one of the proprietors of Gatorland, is holding open.

The ruthless and senseless act on the part of some persons, yet unknown, deprived the Park of five of its largest gators, all at least forty-five to 50 years of age.

On a regular patrol Friday his home grounds.

J. C. Bowen and O'Neal Walcott, South Bay apparently inter-fered with the killing of five large gators which had been shot with a 22 at the Gatorland Park on May 27 only minutes before.

As he made the turn to head north towards South Bay, the Chief noticed a car parked near the Gatorland entrance, and was told by the young man who apparently was with the car that he had become sleepy and was walking around in order to wake up. His explanation for the wetness of the lower pants legs was the dew on the grass.

Noticing another car, with a flashlight further down the road the Chief investigated and discovered a car with an out-of-

## CO-OP MEETING 9:30 TODAY

There will be a meeting of the Sugar Cane Growers Coop of Florida this morning at 9:30 in the Community Center at Canal Point.

It is very important that all members be present.

## Canal Claims Another Victim

Graveside services were held last Sunday at Neco Cemetery, Miami, for Mrs. Jessie S. Fogelson, 55, 121 N. Gulfview Road, Lake Worth, who was drowned in the N. New River Canal last Thursday about 6 a.m. about 17 miles south of South Bay.

Mrs. Fogelson, a native of New Hampshire, was a passenger in the '61 Rambler sedan driven by her husband Robert Reuben Fogelson when the vehicle went out of control and into the canal.

Trooper O. C. Garrett who investigated reported the cause of the accident undetermined to date. The husband has been hospitalized for the past week at Belle Glade Memorial hospital. The drowned woman's body was not recovered until early Saturday morning.

Williams-Weatherington Funeral Home was in charge of arrangements.

## 187,600 To Each County From Fla's Racing Money

State Comptroller Ray Greene announces that each county in Florida has received a total of \$187,600, which is \$1,100 less than the amount received during the 58-59 year.

The total for this year is \$12,569,200, a decrease of \$73,700.

## '61 Short \$91,000 In Building Permits

City Building Inspector Cunningham reports that only two new homes were begun in Belle Glade during the month of June, and only one new business building was given a permit. The homes totaled \$22,000 and the one business building was for \$14,000 for Standard Brands Inc., a warehouse on NW 12th Street.

The total permits for the year to date amount to \$485,850, '61 so far amounts to \$485,850, which is \$91,318 less than for the same period in '60.

## 122 Students Enrolled To Date In South Bay Summer Recreation

An enrollment of 122 students for South Bay Summer Recreation at the city park was reported as of Friday, June 30th, for the first two weeks of the Educational Enrichment Program sponsored by Palm Beach County of Public Instruction.

H. A. Onelle terms the beginning swimming class a "huge success" with 37 students participating. A total of 122 students past week placed the students who could swim across the pool in an intermediate group. Passed the test were Judy Zwick, Hope Gettys, Doug Wall, Tommy Williams, Don Scruggs, Ed Zwick, Jerry Hartline, Dan Nelson and Wayne Walker.

The swimming course will continue until the completion of the summer program, July 28th. Golfball games are being planned with Belle Glade and Lake Harbor for the coming week, scheduled for either Tuesday or Wednesday.

Mrs. Lucille Rudder, in charge of Arts and Crafts, stated eight

sets of bookends, ten reed baskets, many different kinds of figurines, including a pair of Indian Chief heads, wall plaques, wood fired candles, palm low tops and shell ash trays have been completed so far.

Mrs. Rudder is at South Bay School every afternoon, and conducts Arts and Crafts classes at Lake Harbor in the mornings.

Mrs. Dorothy Jones, Belle Glade, is conducting a cooking and story telling, showing of movies and record playing every Wednesday afternoon in the South Bay School library.

A pet show was held at the Park Friday afternoon with over 35 students bringing their pets to be judged. The following won prizes:

Prettiest: Marion Sullivan (dog), Billy Rogers (dog), Rhonda Walker (dog), Gail Sullivan (parakeet).

Smallest: Barbara Warren (turt), Pam Cook (turtle), Pat Bowen (hamster).

Largest: Tony Varona (dog), Rhonda Walker (dog), Carey Wall (dog).

Best cared for: Brenda Kelly (dog), Billy Rogers (dog), Penny Waters (dog).

Oldest: Rhonda Walker (dog), Carey Wall (dog), Tony Varona (dog).

Youngest: Janet Summerville (dog), George Mathis (dog), Billy Rogers (dog).

Best All Around: Dick Willis (dog), Brenda Kelly (dog), Penny Waters (dog).

Best Watch Dog: Dick Willis, Tony Varona and Harry Dalrymple.

Most unusual: Pat Bowen (alligator), Tommy Williams (gold fish).

## Local Elks To Attend Miami Natl. Convention

Six local elks and their wives will represent local Elks B. E. Weeks and Mrs. Weeks to Miami to attend the National Convention at the Hotel Fontainebleau from Friday through Tuesday the 13th.

With more than 2,000 Elks Lodges represented, this convention will be especially interesting to local Elks and those of Palm Beach County because W. A. "Bill" Wall of West Palm Beach is the Nominee for the Post of Grand Exalted Ruler, 14th in the United States in the coming year.

Mr. Wall served the Grand Lodge as Grand Trustee for a period of five years, serving as its chairman for the last two.

Florida has increased its cattle numbers almost four-fold during the last 40 years as one of the fastest growing beef producing states in the country and all indications are that Florida will continue to increase its cattle numbers in the future.

During the last 10 years beef cattle numbers have a little more than doubled in 10 Southern states whereas the U. S. beef cattle population was only increasing about 50 percent during the same period.

Florida now has 1,620,000 head of beef cattle and ranks 14th in the United States in beef cattle numbers. It is the third highest ranking state of the Mississippi River with only Illinois and Mississippi having more beef cattle than Florida.

In the 1925-29 period 2.7 per-

## Boost In Tax Levy Appears Imminent

"A fulfillment of an election pledge to cut assessments to a 60 percent level" is the reason given the Commissioners for a lowering by 80 millions in this county's tax roll assessment, by Tax Assessor Maxwell.

Maxwells roll set the total amount of real property in the non exempt category at \$172,709,420. This amount coupled with personal property and railroad and telegraph property brought the total non exempt property for the county to a new assessed total of \$852,037,130.

The assessor set the value of homestead exempt property at \$213,469,050, a figure he said represented about 47,000 homes.

The millage last year was slightly under 6 mills but it appeared imminent that the levy will have to be boosted this year to meet figures which the commission has placed in its tentative budget.

## A Quiet Fourth Of July Reported

"A few complaints about folks shooting off fire crackers" was about the only excitement reported by local police, PHP and the sheriff's department for the legal holiday.

A minor accident in which no injuries were suffered occurred just south of the Rictus Motel when a car driven by a negro attempted to pass another car and took to the telephone pole and was damaged.

Many local folks defied the frequent showers to picnic on the lake banks here and at Pahokee. A large crowd gathered to watch the fireworks at Pahokee Harbor but the evening, which were reported to be "better than ever."

## 'Tax Roll Not Ours' Says Commissioner

The county commission's responsibility as a board of equalization was explained by Vice Chairman Lake Loyal Monday night as the board met to receive the county's assessment roll.

Loyal said he was making the statement to "clear up some misunderstandings."

The vice chairman said the board of commissioners does not accept or reject the assessment roll—it receives the roll from the tax assessor.

The tax roll, Loyal said, is the sole responsibility of the tax assessor and no other part of the local government has anything to do with it. The commissioners, he said, are a board of equalization and the only adjustment possible is where evidence shows that two adjoining or like pieces of property show a variance in amount of assessment.

## New Hours For Public Library

New hours for Belle Glade Public Library effective July 17, were announced this week as follows:

Monday, Tuesday, Wednesday 8:30 a.m. to 12:00 noon 1:00 p.m. to 5:00 p.m.

Thursday 8:30 a.m. to 12:00 noon 1:00 p.m. to 5:00 p.m.

Friday and Saturday 8:30 a.m. to 12:00 noon 1:00 p.m. to 5:00 p.m.

## Lake Level 11.5 Feet

Week Ending July 5

## Rainfall 0.15 Inches

Week Ending July 5

## Florida's Only Magistrate's Court Relieves Glades' Muddle Of Justice

### Coastal Motors Firm Wins Knudsen Trophy

Coastal Motors and Equipment of Belle Glade has been awarded the coveted Knudsen Trophy for equalling or exceeding predetermined new car sales objectives for the period of February 21 through April 30, according to information received here.

Reflecting the Division's continued success in '61 retail sales is the attainment of Knudsen Trophies by more than 42% of the Pontiac dealer organizations according to the announcement.

## All Florida Honors Mott and Vaughn In Resolution Presented By Roberts

"A delayed recognition but nevertheless a most sincere and truly from ALL Florida" Representative Emmett Roberts of Palm Beach County legislator (left) tells Harry Vaughn, President of the US Sugar Corporation of the Florida Legislature commending C. S. Mott and Harry Vaughn for "Contributions to Glades Sugar Industry" in Clewiston recently.

"I present these on behalf of Mr. Mott and myself and on behalf of US Sugar's team of associates and employees, both past and present," Representative Roberts for himself and for the two other members of the Palm Beach County Delegation as sponsors of the resolution, Representative Jerry Thomas of Palm Beach and Senator Ralph Blank, Jr. of West Palm Beach.

Mr. Roberts told Mr. Vaughn that normally such resolutions were routine, when properly sponsored, but this one drew questions and interest of legislators from the panhandle to the east and coast as well as central Florida.

Mr. Vaughn pointed out that Mr. Mott's belief in the future of sugar production in Florida brought many millions for research, expansion and development when others were fearful of failure as every other effort to develop the industry had suffered.

"This organization is the first successful effort volume-wise to produce a 5,000-ton mill under operation in Florida in 150 years," the Clewiston President stated, "the Penuco group of mills, brought to this area, which formed the nucleus of the mill erected by the old Southern Sugar group."

"Mr. Mott took over the failing Incorporated Sugar and hired Bittling Incorporated to reorganize this, and today we are the envy of sugar producers the world over, for the Clewiston operation is reputed to be among the most efficient in this worldwide industry."

Among those associates and fellow-workers to whom Mr. Vaughn paid tribute were the late F. E. Bryant, R. Y. Patterson, and Mr. Chas. Wetherall who came in at a time when the company was in straitened financial condition, and pulled it through to a more stable economic operation.

Those who are now associated and to whom Mr. Vaughn paid tribute as oldtimers are M. W. Biggs, Comptroller, W. C. Prentiss, Agricultural Director, B. A. Bourne in charge of research, C. A. Martinez, Fabricator.

We are fortunate in having a group of younger men who play a vital part in maintaining our enviable record and reputation such as Otis Jones, Fred Sikes, Sid Crochet Mills and many others.

Mr. Vaughn referred to the attitude of his organization towards newcomers to the Florida sugar production industry as one of full cooperation, "with a

## Not Full Substitute For Justices But Follows Recommended Changes

### VOTE FRIDAY

If you are interested in the hours of closing of retail establishments that sell alcoholic drinks, be sure to vote in the STRAW BALLOT Friday.

As long as this will be published as the official opinion of Belle Glade, let it be just that — everyone should vote!

Escorted to the Rostrom by Allen Brackett, and Harry Johnson Jr., Presidents respectively of the County Bar and Junior Bar Associations, and sworn in by Judge McMillan, this Palm Beach citizen welcomed him with a suitably for the Judgeship lauded by professional Jurists, members of the Bar and his own fellow townsmen.

Representative Emmett Roberts spoke briefly on the mechanics of the bill becoming a law, and Judge McIntosh gave an outline of the purposes and scope of authority of the Magistrate's Court.

Any warrant for arrest or search may be issued by the Judge, and any case not involving more than a \$200 fine, and/or 90 days may be tried before the Judge provided a jury trial is waived. Any preliminary hearing may be had before the Judge.

"The functions of this court will not make it necessary for so many trips to the county seat, and especially in trials where a jury trial is not involved, and where a jury trial is waived, Judge McIntosh said.

Mrs. Doris E. Spence was sworn in as Deputy Criminal Court Clerk for service to the Magistrate's Court, at the request of Clerk John Dunkle.

Pail Hardin acted as Master of Ceremonies and introduced the entire County Commission, which eleven members of Judge Tyson's immediate family were present to the audience.

It will be recalled that Justice of the Peace were voted out following considerable agitation on the east coast and throughout the state because of extra-curricular activities of Justices and their Constables.

The urge to eliminate an evil in other sections was not the case in the Glades, where the Justice served an everyday purpose for the community. The immature thinking of the junior bar association of Palm Beach County in highlighting the referendum to abolish the Justices did not include some substitute for communities such as the Glades. However, agitation by citizens and action by the Delegation caused the Palm to be drawn with the assistance of the County Bench members, and particularly Judge McIntosh, to correct the mental status.

With a deputy, or a marshal — a working officer of the Court — the Magistrate's court is expected to replace the Justice on an elevated professional plane advantageously to the community it serves.

## Father-Son: Past Rotary Presidents

Ralph Kidder, Past President of Rotary, presents to his son Clarence, DVM, immediate past president of the same club, his Past President's pin. Dr. Kidder's elementary and high school days were spent at the Everglades Experiment Station where his father is Animal Husbandryman, and where he has been participating in major improvements in cattle breeding and beef production over the past two decades.

Dr. Kidder is practicing his profession in this major beef production area of Florida.

## FLORIDA PRODUCES ONLY 20% OF BEEF USED - NEEDS 400,000 FEEDERS

### Herd Improvement, Management, Fertilization On Lands Available Only Requisite Says Expert

Palm Beach County's lush Glades grasses of highest protein content plus Glades-grown corn, sweetened, leavened and strengthened with Glades-produced blackstrap (unmashed in TDN), produce the laziest cows known to the industry, and the most economically produced pound of standard, good quality and prime beef.

If a steer on a properly maintained Glades pasture can't turn to the feed through (filled with Glades High TDN supplements) a FZW step to fill up 15 percent-protein tallow grass he's disgraced, becomes morose and joins the ranks of the "discontented" ones.

Physician! Not a midwife, but a feed-lot operator, or a producer of feed-lot steers. But after an informed, progressive Glades cattle producer, not a student of scientific nutritional and hereditary influence.

Dr. Tony J. Cunha, Head of the Department of Animal Husbandry and Nutrition at the University of Florida leads subscribers to statistics and comments from a background of "know-how" about Florida's beef industry.

His story whets the ambitions to accomplish and stimulates the itch for economic gain, as follows:

Florida already is an important beef cattle state and all indications are that the beef industry is in the beginning stages of developing into an even greater.

# GLADES CHURCH NEWS

The Herald welcomes news items from your church each week. Call WYman 6-2034 not later than Tuesday noon for publication Thursday.

## Presbyterian Circles To Meet

Circle meetings for the ladies of Everglades Presbyterian Church will hold their regular monthly meetings next Tuesday, July 10, at 7:30 p. m. at the homes of Mrs. Charles Horstenstein Tuesday evening at 8 o'clock.

## Presbyterians Hear Stirring Sermon

By Rev. W. Mosley

Reverend William Mosley, a missionary to Brazil now home on furlough, was the speaker at Sunday Services at Everglades Presbyterian Church.

Well known throughout the country and in many foreign missions, Rev. Mosley held the audience in rapt attention while he delivered his sermon on "We Build Through The Church."

He has been in the mission field for about 25 years, serving in many of the South American countries. Since returning to the states he has been conferring with state groups concerning the advancement of communism in our country and has first hand knowledge of how Communism infiltrates into different countries.

He told how Castro was communistic from the beginning and trained by the party to overthrow the Cuban government.

"He absolutely sold the Cuban people out," Rev. Mosley said. "The same thing could happen here if the United States doesn't wake up and realize the immediate danger to their activities in our country."

Rev. Mosley was entertained at dinner at the L. L. Price home following the service.

## Miss Glenda Dell To Tour Europe With University Of Miami Choir

MISS GLENDA DELL OF BELLE GLADE, L. R., will appear in the above singing trio called "The Choir" when the University of Miami Concert Choir goes on tour in Europe the latter part of July.

A graduate of the University of Miami, Miss Dell who is completing requirements for her Masters of Music degree in piano, will also be the accompanist for the University of Miami Concert Choir, which has been chosen by the State Department in Washington to tour Europe for seven weeks.

The choir is composed of 12 men and eight girls including the director Glenn Draper in his first year at the university and Miss Dell, the accompanist.

The tour is for the purpose of entertaining at Military bases throughout Europe. The tour for the Military will begin July 30 from Miami. It will arrive July 31 in Frankfurt, Germany and will be completed Sept. 8.

From Sept. 8 to Sept. 15, the choir will be giving concerts in the churches in Germany at the request of Bishop Wunderlich. An invitation has also been received to sing for the World Council of the Methodist Church in Oslo, Norway. The group plan to return to Miami by Sept. 18.

In February the Choir of 40 made an 11 day tour to New Orleans. The Chorus presented Beethoven's Ninth Symphony and the Samson and Delilah with the University of Miami Symphony Orchestra the past year in addition to many performances around the city.

Miss Dell, daughter of Mr. and Mrs. J. V. Dell started playing the piano at an early age and studied under Frank Lee Mark of West Palm Beach, for six years. She won superior ratings at the state high school music festivals, and on graduating from Belle Glade High School won the highest scholastic average in English for the year, received a special award from the Lions Club for outstanding achievement and was a member of the Glee Club. After she auditioned for John Bitter, dean of the School of Music, she won a special scholarship by Mary Baker Eddy's name to the University of Miami and has earned other scholarships during her college years. Miss Dell had an assistantship to work on her Master of Music degree the past year and she was assistant

to the choir director and also taught a couple of classes at the University.

This energetic young lady has been active in music circles since in her early teens, having given since 13 recitals, taught piano lessons, appeared on television, played in church and social programs.

Among those attending were Jerry Previtt, Van Robertson, Jim Pope, Chuck Johnson, Laura and Tyra Lee, Josephine Crouch, Shirley Martin, Dana Howard. They were accompanied by the minister, Al Simmons.

Genuine appreciation of the sacrifice and triumph of Christ Jesus must be expressed in daily living.

This is a theme of the Lesson-Sermon on "Sacrament" to be presented at the semi-annual communion service in Christian Science churches Sunday.

Paul's charge to Timothy "Watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry" (1 Tim. 4) will be included in the Bible readings.

A correlative citation from "Science and Health with Key to the Scriptures" by Mary Baker Eddy states: "To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that he has done" (p. 4).

## Local Witnesses Attend US And European Meets

James Gwin Zea, also Arthur and Evelyn Thibodeau of Belle Glade, Florida, will be among the many persons who will travel the United States and Europe this summer to attend a series of assemblies arranged for by Jehovah's Witnesses. The first in this series is being held in Yankee Stadium, New York, June 20-25. For ten consecutive weeks a convention will begin in a major city, including Copenhagen, Denmark; Hamburg, Germany; London, England; Paris, France and San Francisco, California.

Acting as spokesman for the group, Mr. Zea said that they have been planning the trip since 1938, when 25,000 came from over 123 lands to attend the "Divine Will International Assembly" of Jehovah's Witnesses held in New York City.

He said, "Now we expect to return the visit and see how they promote Bible education work in other lands. As we travel from country to country, we plan to share in the ministry and encourage Bible study just as we do here in Belle Glade."

Although we cannot speak all of the European languages, arrangements are being made for us to accompany some of the local Witnesses, and of course, many of the Europeans speak English."

Upon their return from Europe, each one will give a resume of the trip to his home congregation, relating the highlights of each assembly and revealing the warm love and greetings of their brothers in other parts of the world.

## Prevatt-McRoberts Engagement And Wedding Plans Announced

Mr. and Mrs. Frank Prevatt announce the engagement and coming marriage of their daughter Miss Sharon Lorraine Prevatt to Donald McRoberts, son of Mr. and Mrs. N. L. Roberts of Watson, Arkansas.

The wedding will be held on Friday evening, July 21, 8 p. m., at the First Baptist Church of South Bay.

No invitations are being sent but all friends and relatives are invited to attend the wedding and the reception to be held at the home of Miss Prevatt's grandmother, Mrs. Rose Armstrong, 549 S. E. Second Street, Belle Glade.

The wedding attendants will be announced at a later date.

Fellows who drown themselves in drink usually don't have far to sink.

They reported the weather just perfect for a day spent, charcoaling steaks, swimming and visiting the Zoo.

Chaperones were W. D. Jackson, Mrs. O'Neal Walker and Mrs. H. B. Walker.

Rev. Don Knight, a student at Bethany Nazarene College, Bethany, Oklahoma, son of the Florida District Superintendent, will be the speaker.

Special music is being planned for each service. The public is cordially invited.

## Nazarene Will Hold Revival Services

Revival Services for The Church of the Nazarene will begin Wednesday evening, July 12, at 7:45 and be held nightly through Sunday, July 16th.

Rev. Don Knight, a student at Bethany Nazarene College, Bethany, Oklahoma, son of the Florida District Superintendent, will be the speaker.

Special music is being planned for each service. The public is cordially invited.

## Barbara West, John Hemphill, Jr. Are Wed In Double Ring Ceremony

Miss Barbara Lee West, pink cymbidium orchid, daughter of Mr. and Mrs. Robert L. West of Ocala, and John D. Hemphill, Jr., son of Mrs. Julia Hemphill and the late John D. Hemphill, of Lake Harbor, were married Sunday afternoon, June 18, at 2:30 o'clock, at the First Baptist Church Ocala.

The double ring ceremony was performed by the Rev. Earl Stallings, pastor, assisted by the Rev. Robert H. Hannum.

Views were exchanged before a white altar, entwined with ivy, placed behind the prayer bench. Large palms and other greenery flanked the arch, with baskets of white gladioli placed on either side. A pair of seven-branched candelabra holding white tapers completed the setting. Family pews were marked with white satin bows. Tapers were lighted by John Robinson and Wayne Robertson. Nuptial music was presented by Mrs. Elizabeth Jameson, organist and Mrs. Norma Jean Cash sang, "I Love You Truly," "I'll Walk With God" and "The Lord's Prayer."

Miss Anne West, sister of the bride, served as maid of honor. Bridesmaids were Miss Martha Robinson, Miss Shirley Gary, and Miss Susie Hemphill, of Lake Harbor, sister of the bridegroom. Tera Underwood was flower girl.

Raymond Plank, of Belle Glade acted as best man. Ushers included Leland Plank, Ted Blauser, Joe Priest, Terry Roberts and John Priest. Louis Norcross was the ring bearer.

The bride, wearing a white gown with a blue sash, carried a white satin Bible, topped with a white orchid and a white carnation, and a white veil.

Her fingertip veil of illusion was attached to a small crown of white and blue flowers. She carried a white satin Bible, topped with a white orchid and a white carnation, and a white veil.

The bridegroom wore a white suit with a blue tie. He carried a white carnation and a white boutonniere.

The bride's father, Mr. Robert L. West, presented her to the groom, John D. Hemphill, Jr. The ceremony was officiated by Rev. Earl Stallings.

## Birthday Party For Lee Anne Is Fun For All

Acclaimed by the guests as one of the most exciting "fun parties" was the 14th birthday party given for Lee Anne Berryhill at the home of her parents, Mr. and Mrs. Lee Berryhill on West Palm Beach road last Friday night.

Four rooms were practically cleared of furnishings to make room for card and game tables and dancing. The young people decorated the rooms with Lee Anne's favorite colors - pink and green crepe paper streamers. Cards table covers were in the pink theme and the serving table was overlaid with a pink cloth with pink candles on either side of the decorated birthday cake.

Mrs. R. E. Hotard assisted Mrs. Berryhill as hostess.

Guests were Sheryl Stone, Joyce Morris, Rebecca and Cecelia Mathis, Linda Spooner, Janet Hotard, Becky Blakely, Beth Livingston, Terry McWhorter, Suzanne Wiergenko, Linda Long, Owen Gove, Farrell Kaufman, Andy Fontaine, John Henderson, Danny Goodbread, Charles Thompson and Michael Berryhill.

The girls remained for a slumber party Friday night, enjoyed a breakfast at the Berryhill home followed by a bowling party.

Mr. and Mrs. Paul Wilson and family were called Thursday afternoon, June 18, by the death of Mr. Wilson's mother, Mrs. Edna Wilson.

## Jo Berryhill Feted Birthday Brown At Bridal Showers

Miss Jo Berryhill, bride-elect, was the honoree at a beautifully appointed shower at the home of Mrs. Lloyd Strayer last Sunday afternoon.

Co-hostesses were the Misses Phyllis Strayer, Sidney Binkley and Carol McClure. Arrangements featured a wishing well in which the gifts were placed and arrangements of spring cut flowers decorated the home.

A get-acquainted game of "Tips for the Marriage" proved a delightful fun as each guest drew a "tip" from the wishing well and offered helpful advice on the subject. A cake idea contest was also enjoyed.

Door prize was won by Mrs. Garland Berryhill.

The bride-elect wore a corsage of white gardenias and Mrs. Berryhill's corsage was of pink roses.

Miss Jo Berryhill was assisted in opening her gifts by Carol McClure, Sidney Binkley and Phyllis Strayer.

Assortments of sherbet and cookies were served to Mrs. Caroline Brown, Mrs. Roberts, Mrs. Garland Berryhill, Mrs. John Robinson, Mrs. Ralph Kirk, Mrs. H. W. Draa, Mrs. James A. Ball, Mrs. Jack Mathewson, Mrs. Lee Berryhill, Mrs. Berryhill, Miss Brenda Berryhill, Mrs. Jesse Motes, Miss Lola Ann Binkley, Mrs. E. Y. Smith, Miss Carolyn Markham, Miss Mary Goforth, Mrs. J. A. Ponder and Miss Jane Betts.

Miss Sandy Buckner and Miss Pat Anderson entertained Wednesday afternoon at the home of Miss Buckner's sister, Mrs. Edna Berryhill, at a party.

The bridegroom was assisted in opening his gifts by Carol McClure, Sidney Binkley and Phyllis Strayer.

Assortments of sherbet and cookies were served to Mrs. Caroline Brown, Mrs. Roberts, Mrs. Garland Berryhill, Mrs. John Robinson, Mrs. Ralph Kirk, Mrs. H. W. Draa, Mrs. James A. Ball, Mrs. Jack Mathewson, Mrs. Lee Berryhill, Mrs. Berryhill, Miss Brenda Berryhill, Mrs. Jesse Motes, Miss Lola Ann Binkley, Mrs. E. Y. Smith, Miss Carolyn Markham, Miss Mary Goforth, Mrs. J. A. Ponder and Miss Jane Betts.

## Betty Jean Gessner, Terry Sands Wed In Nuptial Mass At Lake Worth

Before an altar banked with white aster, mums, gladioli and pink carnations, Miss Betty Jean Gessner, daughter of Mr. and Mrs. Milton J. Gessner, 7951 West Lake Drive, Lake Drive, Lake Clarke Shores, became the bride of Terry Allen Sands, June 23, at Sacred Heart Catholic Church, Lake Worth.

The bride's parents are co-owners of Glades Bowling Lanes and are well known in the area.

Mr. and Mrs. Sands, 601 N. W. Avenue F, Belle Glade.

Father Edward Pick performed the double ring ceremony.

The bride, who was given in marriage by her father, wore a full length gown of rosepoint lace with a scalloped scoop neckline and long sleeves. The bouffant skirt, with bustle effect back, ended in a sweep chapel train.

Her elbow-length veil of illusion was attached to a coronet headpiece of lace and seed pearls. She carried a spray of white roses and ivy.

Mrs. Richard Sands, Belle Glade, was matron of honor, and wore pink chiffon gown with deep pink sash and trim.

Her headpiece was a halo of tulle and she carried pink carnations and garnet red and pink roses.

Flower girls, Carol Jean Kathman of Dayton Beach, wore a dress of Madona blue organza and velvet headpiece. She carried a basket of sweethearts and blue baby-breath.

Richard Sands was his bride's best man. Ushers were Douglas Sands and Kenny Sands, both of Belle Glade.

Ring bearer was Gary Kathman of Dayton Beach.

The bride's mother wore a straight line dress of pink organza and an orchid corsage.

A reception at the home of the bride's parents followed the ceremony. Assisting were Mrs. Kenneth Sands, Belle Glade, and Mrs. Kathman, Daytona Beach.

The young couple left for a wedding trip to Daytona Beach. For traveling the bride chose a green silk two piece dress with white accessories.

The new Mrs. Sands attended St. Ann's High School, West Palm Beach, and V. Daniels School of Beauty Culture. She is employed by Ina's Beauty Salon here.

Her husband is a graduate of Belle Glade High School and new employed as A. M. mechanic by Glades Bowling Lanes.

They are living at 121 N. E. 4th Street, Belle Glade.

## ANOTHER BIG REASON BEHIND THE BIG BOOM IN FORD SALES:

No other wagon can match Ford's features (or popularity!)

Ford wagons have features that only America's station wagon specialists can bring you.

There's more room. Ford's extended load deck is the longest and widest in its field.

There's more convenience. You can have a power-operated roll-down rear window in any Ford wagon.

There's more distinction. The Country Squire (above) is the only wagon in its field with body panels that look like malaguany, wear like steel.

There are more savings. Ford's Ranch Wagon is America's lowest-priced, full-size wagon. And like all Fords, every Ford wagon is built to be more service-free. Over 30,000 miles between chassis lubrication, 4,000 miles between oil changes.

Stop waiting for that wagon you've always wanted. Swap for a '61 Ford wagon soon! Save for '61 Ford, the wagon America loves most!

Today is the day to STOP...SWAP...SAVE

Mrs. Marvin Davis is convalescing at her home in South Bay from leg surgery last week at the Saint Mary's hospital.

Frank Tyler is recovering at his home from a leg operation at the Belle Glade Memorial hospital last week.

Mr. and Mrs. W. R. Sullivan

### Baptists To Vote

#### On New Pastor

South Bay Baptist Church members will cast their votes next Sunday on Reverend Howard Long of Fort Myers as new pastor for the church. Chairman of the Pulpit Committee, W. G. Bowen, asks that all members attend this service.

and family, and Mrs. J. L. Cook and Pam spent Wednesday at Salerno fishing and picnicking.

Mrs. Ben Austin is spending this week in Avon Park with her sister and brother-in-law Mr. and Mrs. V. O. Waters.

Mr. and Mrs. Howell Goodbread and family have returned from a two weeks vacation at Washington D. C.

Mr. and Mrs. Everett Fisher and family enjoyed a picnic Sunday at Palm Beach.

Mr. and Mrs. Alton Teale had as their guests for the 4 of July Mr. and Mrs. Thurman McManus and family, and Mrs. W. N. Jones and her children Gail and Sonny all of Davie.

Mr. and Mrs. Frank Tyler, their son Ray and daughter Linda, left Wednesday for Donalsonville, Georgia where they will visit Mrs. Tyler's parents Mr. and Mrs. V. A. Miller, also Mr. Tyler's brother Mr. and Mrs. Berry Tyler and other relatives.

Mr. and Mrs. O. M. McCallister have returned from a visit with relatives at Ashburn, Georgia.

Mr. and Mrs. James Martin and their daughter Luann spent the weekend in Avon Park and Sebring with relatives.

Miss Gail Martin is visiting her brother and sister-in-law Mr. and Mrs. Pat Martin of Milton, Florida.

Mr. and Mrs. W. F. Ferguson their children Kathy and Billy, Riley Foster Jr., and Bryant Davis spent the 4th of July holidays at Crystal River fishing.

Mr. and Mrs. D. N. Partain, had as their Saturday and Sunday guest W. L. Wheeler of Immokalee.

Mrs. W. C. Allen had as her Sunday dinner guests Mrs. Clifford Allen and her children Susan and Stanley, Crate (Happy) Tucker of Belle Glade, Mrs. Minnie Hester, Mr. and Mrs. San Boyer and their daughter Roberta Kay.

Mrs. D. N. Partain and her son Wayne were Tuesday overnight guests of Mr. and Mrs. J. R. Elliott.

Mr. and Mrs. Harvey Hodges and their children Vicki, Ricki and Robert of South Bay, and Mrs. Hodges' mother Mrs. Emma Webster of Belle Glade, have returned to their home after visiting relatives at Dobbins, Georgia.

Clayton Smith returned home Sunday after spending a week in Tampa with friends.

### South Bay Wins 5th Softball Game

The South Bay team won its fifth softball game last Thursday night over Indian town by a score of 8 - 3.

They have won games against Palm Beach Road Camp, two over Indian town and one against Pahokee. Losses have been one to Pahokee and one to Palm Beach Road Camp.

Any team that would like to South Bay on home to home basis may call Paul Wilson in South Bay for further information.

## Rainbow Mother Advisor Elected Grand Deputy

The 28 girls attending Grand Assembly of Rainbow in Jacksonville recently had a wonderful time. They went by Trail-ways bus and enjoyed a picnic luncheon on the way up. It was the first time a bus had been chartered by Assembly No. 1. The Grand Assembly was conducted at the new coliseum with nearly 2400 registered Miss Sue Clarke was retiring Grand Fidelity, Sonja Figueroa was her personal page, Karen Vadas was grand accompanist and was given honors and a love gift from the assembly and was also elected Grand Representative to Vermont, Gail Masonic was Grand choir member.

It was the first time in the history of the state of Florida that a Grand Deputy was elected and Mrs. Mary DeGraw, Rainbow mother, advisor, was elected Grand Deputy to the supreme inspector, for Clewiston, Morrie Haven, Pahokee and Belle Glade Chapters. Two girls from Pahokee joined the group, Kathryn Young and Elizabeth Humphries.

## Alley Cats tied Four G's for Doris Pries bowled high in first place with 12 pins. Pin-spotted were second with 11. The ladies and W. O. Prescott. The Alley Cats rolled high game was high man with a 233 game of 752 and high set of 2036, and a 590 set.

## Shut off that furnace in your attic!

On a hot summer day, heat in your attic can build up to as much as 140°! Unless your attic is insulated, this terrific heat seeps down into your living quarters until long after nightfall. Bedrooms become bake-ovens; spoil your night's rest. In a few hours' spare time, you can shut off that overhead furnace. Simply insulate your attic with

## NEW Gold Bond TWINSULATION

Reflective foil/aluminum surface on all four sides of the rock wool blanket turns back 80% of the heat radiated downward from your roof in summer. Your whole house, including your bedrooms, is cooler, more comfortable. And in winter, Gold Bond Twinsulation keeps furnace heat inside; saves up to 25% of your heating bill!

Tell us the size of your attic. Then we can tell you how little it costs to have the savings and year round comfort of Gold Bond Twinsulation in your home. We'll show you samples, give you simple application directions, too. Stop in Saturday - or sooner if convenient!

## DOWPON controls cattails and problem grasses along ditches

A regular spraying program with DOWPON® puts an end to the continual expense and hard work of hoeing, chopping or cultivating Johnson or Bermuda grass out of crop lands and cattails out of ditches. In headlands and along fence lines, too, DOWPON eliminates grass-for-it kills the deep roots as well as tops. Through cumulative action, this program becomes less costly each year. You'll find DOWPON cheaper than chlores or borax, less money than weeding. Simply mix DOWPON with water, and spray.

Harrison, Omega, Ga. and her sister, Mrs. Roy Lindsey and family in Titon, accompanying them are their granddaughters.

Frozen orange concentrate is the best selling item in frozen foods, nationally, according to the Florida Citrus Commission.

## 4 Win In Decorated Bicycle Contest

WINNERS IN THE BYCYCLE DECORATIONS CONTEST last Friday at the City Park are (l) Phyllis Giese, Jerry Folsen, Gary Resmundo and first place winner Dennis Wedgworth. Phyllis and Gary also placed in the bicycle racing which was the main event of the day.

Belle Glade City Park was a beehive of activity last Friday afternoon with bicycle racing and decorations contests.

Twenty-five boys and girls entered the race, which was the main event of the day, and were cheered by approximately 150 boys and girls on the sidelines.

There were twenty entries in the Fourth of July Decorations Contest (see photo above). The boys and girls were each given red, white and blue crepe paper and one hour in which to decorate. By three o'clock everyone was crowded around the tennis courts as the contest was in full swing and began their parade.

Judges were Mrs. Genevieve Gove, Mr. Henry Williams, Mrs. Smith and Miss Frances Fontaine.

Winners of the bicycle race were: In the 6-8 Class, Danny Williams, 1st; place and Phyllis Giese, 2nd. For the 10-14 group Tommy Murray won first place, Herbert Giese, second place, Gary Resmundo, third place and Ronnie Cook, fourth.

Florida Products Co. (Continued from Page One) of opportunity for purchase breeds in Florida to improve the quality of their cattle and to increase the number of bulls being produced.

At the present, Florida has about two million acres of improved pastures. A recent survey indicates that by 1975 the amount of improved pasture acreage in Florida will increase to approximately 3.6 million acres.

Moreover, it is estimated that on present acreage of pasture (improved and unimproved) the Florida can increase beef production in the future by two or three fold just by better fertilization, management and the use of higher quality animals. Better quality calves and better production practices need to be stressed continuously in order for Florida to develop a top flight cattle industry. There is no reason why this cannot be done.

At the present, about 100,000 acres are being fattened in feedlots in Florida annually. However, many of the feeder calves for some of these steer feed operations are coming from out-of-state. It is hoped that the quality of feeder cattle produced in Florida will soon increase to the point where they satisfy the demands of the feed lot operators.

Florida is producing only 20 percent of the beef which is consumed in the state which grades commercial, standard, good, choice and prime. Thus, Florida has plenty of opportunity for expanding its steer feeding operations. However, this will require increased emphasis on the production of an increasing number of higher quality feeder cattle which can be fattened to the higher grades in the feedlot.

Slaughtering facilities, by and large, are adequate in Florida. We have one large national packer and many others who have good plants and facilities. As the beef cattle industry expands in Florida, there will be no doubt need some new, modern low-cost plants.

Florida has an excellent future and unlimited possibilities in the beef cattle business. It is still in the beginning stages of producing better quality animals and using better production practices and its greatest need for the future is a continual improvement in this regard. Florida offers great opportunities for the cattleman who will use high quality animals as well as up-to-date production, management and marketing practices.

122 Students Enrolled (Continued from Page One) fish.

Cutest Kitten: W. D. Woodard and LuAnn Fisher.

The special event for next week will be a Doll Show at 2 o'clock July 7, at the South Bay Park.

One out of eight Americans now lives on the farm. As late as 1850 some 85 per cent of all Americans were rural residents.

## Tomorrow's Jobs Need Education And Training

College, high school, and vocational school graduates will have key roles in the future, State Industrial Commission Chairman A. Worley Brown said here today when he predicted trends in Florida's growth for the next decade and what it means for our younger workers in their effort to earn a living.

Stressing that success is a two-way compact between workers and their work, the FIC chairman declared that "the business world will have few if any jobs for unskilled labor by 1970."

"Special aptitude and skill in a person's manner of working for a livelihood will be absolutely essential," he continued. "Our population is increasing nationally at the astounding rate of 13 cities the size of Richmond, Va., every year."

In this connection, Florida is increasing faster than the majority of states in population and economic growth. This means that more population will spell out more jobs - more foods more clothing, more housing, more furniture, more appliances, more of everything that our over-increasing standard of living calls for in the consumption of goods and services."

Brown reminded graduates from all of our educational institutions that the jobs of tomorrow will be filled by young men and women of today who prepare to fill them.

"It is planning successfully to get the education, training, or training that will qualify you for the best possible jobs during the employment expansion that lies ahead," Brown said.

Along the line of job potential in the future, he pointed out, "there will be a rapid rate of growth, especially in the construction and service trades, recreation and cultural activities, medical services, local state governments, teachers, law enforcement, library and health personnel."

U. S. Army Biggest As Training Industry

In the next ten years, the United States will use its manpower and technological knowledge to increase our production of goods and services about 50 per cent, giving our expanding population a standard of living gain of 25 per cent.

The very nearness of these gains, coupled with the probability that the dollar will continue to decrease in value, is encouragement enough to the graduate to plan his future so that his earning power will keep pace both with inflation and the growth of the economy. There is little doubt that his goods and services will cost more, thereby demanding that his earning power increase at a well-regulated rate.

Wherever he turns for training, the graduate will face tougher competition than any graduate before him. College he will find almost twice as much competition as did College students a few years ago. These same students will be trying for the same jobs in industry after graduating, so only by matching and surpassing their efforts can a youth hope to succeed.

Industry itself has many training programs, but here again the waiting line has grown. Once he enters a training program, the high school graduate will have to give a good account of himself in his studies. With industry investing in a career field more likely to expand and those most likely to fall below average.)

Pontiac Audit Checks Insure Car Quality

Pontiac customers can look forward to more improving reliability as a result of a new car quality audit inspection procedure established by the Division of its home Pontiac, Mich. plant and in each of the six B. O. P. assembly plants across the country, according to S. E. Knudsen, General Motors vice president and Pontiac general manager.

Stressing standardization and uniformity, the system employs two technically trained audit teams between each of the seven plants to check completed car quality on a continual basis, Knudsen explained.

Cuban Economic Boycott Asked By Paul Rogers

Congressman Paul Rogers (D-Fla.) called for complete economic boycott of Cuba in an address on the floor of the House of Representatives.

In his remarks, Rogers protested the continuation of trade with Cuba, called upon the President to halt Cuban imports under the Trading With The Enemy Act, and asked all Members of Congress to join him in his efforts to put an end to the economic boycott of Cuba into effect.

The only long staple cotton gin in the U. S. is near Leesburg, Florida.

The decisions before the Florida.
